

We are seeking donations to benefit the EOD (Explosive Ordnance Disposal) Warrior Foundation at our 3rd annual event in Mingus Texas April 27.
www.eodmingus.com

Your donation will benefit the EOD Warrior Foundation 100%, all proceeds from the fundraising event go directly to the Foundation.

We thank you for your donation consideration and hope to see you at our event on April 27, 2019 at noon in Mingus. There will be Food & Drinks, Live Music at 8pm by Tommy Hooker, Events for the kids, Live Auction, Horseshoes, and an EOD Presentation by EOD techs.

Contact Delbert Timmerman: (682) 229-6036 or dt@eodmingus.com

www.eodwarriorfoundation.org

EOD stands for Explosive Ordnance Disposal, the disarming and disposal of bombs. EOD technicians are highly-trained military members serving in the Army, Marines, Navy and Air Force who are responsible for disarming, rendering safe and disposing bombs. The EOD profession is one of the most dangerous occupations in the military.

The EOD Warrior Foundation is a 501(c)3 not-for-profit organization that provides financial assistance, morale events, peer support, and educational programs to active duty EOD, warrior veterans, their families, and families of the fallen as well as the continued care of the EOD Memorial Wall. We are honored to help this elite community of brave men and women. The immediate and ongoing resources provided by the Foundation are above and beyond the budgetary constraints of the Department of Defense and Department of Veterans Affairs.

The EOD Warrior Foundation operates with the core belief that the EOD family is for life. We remain resolute in our service and support of our military family. We are extremely grateful and thankful for your ongoing support and commitment to the EOD Community. Your donation enables us to carry out our mission to provide assistance to those who serve and sacrifice for our freedoms. You should be proud to know that your contribution is making a difference. It is the generosity of others that allow us to assist in "disarming challenges" for our EOD Warriors and their families.
